EXPERIENCE (ALL IN AUSTIN, TX)

UI Designer – Watermark Insights

Sept. 2019-Mar. 2020 (contract)

- Updated the user interface of an acquired product to meet WCAG accessibility standards using Sketch and Abstract
- Created high-fidelity mockups, design style guide, and Sketch symbol library
- Presented work to stakeholders and design team in weekly critique meetings

UI/UX Designer – Austin Community College

Jun. 2019-Sept. 2019 (contract)

- Led projects as the sole UI/UX designer to update internal apps within the ACC IT Department, including MyACC student portal and a website for IT Services
- Conducted market research and usability testing for existing apps
- Created wireframes, high-fidelity mockups, and style guides using Adobe XD
- Presented work to stakeholders, fostered communication between departments

UX Designer – Civitas Learning

Aug. 2017-Mar. 2019

- As a UX designer on two product teams, participated in development sprints using Scrum/Agile method and JIRA, in cross-functional meetings, and collaborative feedback sessions with UX team
- Used Sketch and InVision regularly for mockups, wireframes, and prototypes of new product features and design assets, product demos, and presentations
- Implemented a product UI refresh for accessibility on two products
- Completed a strategic research study to assess integration opportunities within the Civitas product suite, and presented findings to key stakeholders
- Performed product usability audits, research, and testing

Interaction Designer – Fjord Austin (formerly Chaotic Moon Studios)

Dec. 2016 (contract)

- Collaborative UX design role in a design agency
- As part of a team dedicated to a national car rental client, contributed to personas, synthesis of interview data, product usability audits, planning for product redesign, Keynote presentations, and wireframes

UI Designer/Visual Designer – Interline Vacations

Nov. 2016 (contract)

- Collaborated with product manager, UX designer, and developers on a redesign of a website for travel industry customers
- Established visual and interface design for the project
- Contributions included style guide, icons, and web page mockups

ADDITIONAL EXPERIENCE
